Song “Green Pine Tree on Nam Hill”

A souvenir sheet was issued to mark the 100th founding anniversary of the Korean National Association.

The souvenir sheet reflects a music score of “Green Pine Tree on Nam Hill” written and composed by the indomitable revolutionary fighter Kim Hyong Jik, an outstanding leader of Korea’s anti-Japanese national liberation movement.

The song implies the spirit of national independence that the destiny of motherland and nation should be shaped out by concerted efforts of the Korean nation itself, not by relying on the outside forces, the indomitable revolutionary spirit that one should fight with incredible toughness for the freedom and liberation of the people even though the body is torn into ash and the idea of continuing the revolution that one should bring about a liberated Korea on three-thousand-ri expanse of land by fighting from generation to generation.

Period of Anti - US Joint Struggle: June 25 - July 27

Two values of stamps were issued on the occasion of the period of the anti-US joint struggle (June 25-July 27).

The stamps show the posters which demonstrate the unswervingly tough will of the Korean army and people who will settle accounts with the US imperialists only by force of arms, not by words.

The posters reflect the White House, a den of evil, which is in the range of sophisticated striking means of the powerful revolutionary army of Mt Paektu and the Stars and Stripes which has been smashed and torn off by the mighty force of Songun Korea.
